

### **Technical Bulletin**

Place a copy of this bulletin in the front of each Blueprints Manual. Redline drawings as needed and include a TB reference note. Reference TB implementation on site Action Item Box-chart and/or site tool history management log.

Number:	045
Date Issued:	07/13/04
<b>Expiration Date:</b>	07/13/05

Subject/Key Words:	Product Detect Sensor, Robot	
Classification:	■ Informational □ Mandatory □ Safety Alert □ PM Impact	
	Warranty Impact Purchase Parts No Charge For Parts expires / Reference this TB# when ordering NC parts.	
Applicable Akrion Procedures:	OP1745: Robot Product Detection and Indexing Arm Sensor Setup	
Parts/Reference Documents:	224128-001, 224917-001, 224918-001, 224919-001, OP1745	
Attachments:	None	

# **Issue:** As part of Akrion's continuous improvement program (CIP), Akrion is introducing a new robot product detection sensor that provides better performance and increased reliability.

- **Symptoms:** An unstable output from the robot product detector sensor can cause relay chatter or false missed pick-ups/drop-offs.
- **<u>Test/Validate</u>**: Replace robot detect sensors as needed.

#### Solution: Passive Gripper:

Use retrofit kit **224128-001** to replace sensor # 202908-001/202909-001 Use retrofit kit **224918-001** to replace sensor # SNS1B0083

#### **Active Gripper:**

Use retrofit kit **224917-001** to replace sensor # 202908-001/202909-001 Use retrofit kit **224919-001** to replace sensor # SNS1B0083

Kits include sensor, screws and drawings. The drawings include basic setup instructions for the sensor. Reference OP1745 for detailed setup instructions for the sensor.

## NOTE: Warranty replacements will only be honored for failed components.

If you have technical questions or require more information, please contact Akrion Technical Support Department via e-mail at <u>techsupport@akrion.com</u>. Authorized service personnel can obtain copies of the latest Akrion procedures and controlled documents from the Akrion Document Control department at <u>doccontrol@akrion.com</u>. Customers must direct all inquires to their local Akrion field service representative. (Form QA1656F1AC)
